

HEALTH AND SAFETY STATEMENT

QLogic is committed to health and safety practices in our work environments which assure employees work in a healthy and safe manner by:

- Meeting or exceeding all applicable health and safety requirements.
- Proactively promoting employee health and well-being.
- Fostering awareness in all employees through education to health and safety programs.
- Establishing goals and implementing programs to maintain a healthy and safe work environment.
- Reviewing the health and safety system regularly in order to continually improve.
